

# **Interim Report of the President of WMA**

188<sup>th</sup> WMA Council Session

7-9 April 2011

Sydney, Australia

Dear Chair, Council members, Ladies and Gentlemen,

I am very pleased to be with you all at the 188<sup>th</sup>. WMA Council Meeting in this lovely city of Sydney. We are all aware that the world today is facing with several disasters both in Natural and man-made. For the natural disasters that occurred in Christchurch, Yunnan, or the natural dj ET Q 0.06000000

On November 11-13, 2010, I visited Taiwan to join the auspicious ceremony of the Doctor's day and gave a talk on "Doctor's Pride and Responsibility" and also delivered
